

Filtered Water Tools, Water Bottles etc:

As far as hand held bottles, we recommend using glass bottles as the best choice but you can also do stainless steel (not as great but okay). Here are two we recommend:

https://www.amazon.com/Yomious-Borosilicate-Bottle-Bamboo-Silicone/dp/B07JW1TVBS/ref=mp_s_a_1_5?dchild=1&keywords=water+bottle+glass&qid=1623793858&srefix=water+bottle+&sr=8-5

https://www.amazon.com/Simple-Modern-Summit-Water-Bottle/dp/B07MMZ8G16/ref=sr_1_6?keywords=stainless+steel+water+bottles&qid=1646948024&sr=8-6

For bulk filtering (which what we recommend) you can order a 2 gallon or 5 gallon on glass bottle <https://amzn.to/3zpIhrT>

and then place it on here:
