GROCERY LIST - WEEK 7

***Plan to Grocery Shop 1X per Week

NOTE: The grocery list below lists all the items needed for the Week 3 Recipe Plan. Because the amounts to buy (that are listed next to each food item) are only recommended amounts based on the recipes, check your pantry and fridge each week before going to the store or ordering online, to see how much you have as carry over from the previous week and deduct that from the amounts listed on the grocery list. (Example: if you have 5 lemons in your fridge from the week before then, deduct 5 from the amounts of lemons recommended in current week's grocery list to prevent over-buying.
